2018 Edition

September 1-2, 2018, from 10 am to 5 pm
in the heart of the village

Following a citizen consultation, a new committee was recently created – Art de vivre Frelighsburg. The mission of this committee affiliated to Vitalité Frelighsburg is to showcase local talent in agri-food production, crafts, culture and other fields by leveraging the uniqueness and striking beauty of our village.

Activities for the **Art de Vivre Frelighsburg** event will be held at two main locations:

- **Craftspersons and artists** will show their artworks at the **Bishop Stewart Memorial Anglican Church** on Garagona Road;
- **Agri-food producers** (winemakers, apple growers and market gardeners) will offer their produce in the **heart of the village** to visitors who will also have the opportunity to taste various local products.

Furthermore, key players in the field of forestry will kick off their first FRELIGHSBURG EXCEPTIONAL TIMBER FESTIVAL.

Other producers will welcome visitors directly to their homes. The Frelighsburg Historical and Heritage Society will launch an exhibition spotlighting our village. The Missisquoi Museum will also be there to invite people to its summer exhibit featuring the Pike River.

PLEASE NOTE:

If you are a craftsperson, artistic painter, sculptor, producer, processor or have specific know-how, we will be thrilled to have you join our exhibitors.

We are reaching out to citizens who would like to get involved as volunteers. Together, let's turn this event into a resounding success that will make our village a shining star!

Exhibitors/volunteers, please contact France Breton at the Tourist Information Office: 450-298-5630 or info@village.frelighsburg.qc.ca
